ACKNOWLEDGMENT OF ROLES AND RESONSIBILITIES

(For All Participants)

Participant and Site have discussed and understand each party’s roles and responsibilities listed on the Roles & Responsibilities Checklist.

Participant understands and acknowledges that:

1. Equipment Site scheduling will be in accordance with the NEES Facilities User Guide and is subject to the approval of Purdue. In the event a change to the schedule is needed, Participant shall submit a request to modify the Equipment Site Utilization Form. Equipment Site shall evaluate the request and coordinate as required under the Site User Agreement. If a mutually acceptable compromise cannot be achieved, Participant or Equipment Site can petition Director of Site Operations at NEEScomm. NEEScomm will work with both parties to reach that acceptable compromise.
2. The NEES Site is supported under an NSF subaward from Purdue University. The Site shall be operated in accordance with said subaward, Purdue’s Cooperative Agreement (CMMI-0927178) and all NEES policies and guidelines, which can be found at nees.org.
3. Results of this project will be shared with the Equipment Site and NEES Community in accordance with the NEES Data Sharing and Archiving Policies and Guidelines found on the NEES website. Exceptions to following these policies and guidelines are listed earlier on this form.

(For Participants external to Equipment Site’s institution)

Participant understands and acknowledges that:

1. Participant’s institution has entered into a NEES Site User Agreement with the Equipment Site, and the project shall be conducted in accordance with that Site User Agreement and this Form.
2. Any non-standard costs described on this form shall be paid to the Equipment Site by the Participant’s Institution prior to the start of the project, unless agreed to in writing by the Site.
